HOLLIS PUBLIC INFORMATIONAL MEETING
BOX CULVERT REPLACEMENT ON DEPOT ROAD

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Monday, April 28, 2008 to discuss the planned replacement of the box culvert conveying Sucker Brook under Depot Road in Hollis.

This project also includes the reconstruction of the roadway shoulders in the immediate work area. Temporary signals would be used to maintain alternating traffic for most of the work.

The purpose of this meeting is to present citizens and public officials with information regarding the proposed project, and to solicit input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment.

The April 28 meeting will be held at 6:00 PM at the Hollis Town Office Community Room, 7 Monument Square, in Hollis, New Hampshire.
